

## HOW DO I REFRESH MY MT4 SERVER LIST?

Please Follow The Steps Below To Refresh Your Server List And Log In  
If You Do Not See Your Assigned MT4 Server On The Log In Window

- 1 Click on 'File'
- 2 Click on 'Open an Account'
- 3 Click on the '+' symbol
- 4 Type in 'MFMGroup-Live'
- 5 Press the 'Enter' key on your keyboard
- 6 Click 'Next'
- 7 Click on 'Existing Trade Account'
- 8 Enter your Log in ID and password
- 9 Click 'Finish' to complete the log in

**1) Click on 'File'**

**2) Click on 'Open an Account'**

**3) Click on the '+' symbol**

**4) Type in 'MFMGroup-Live'**

**5) Press the 'Enter' key on your keyboard**

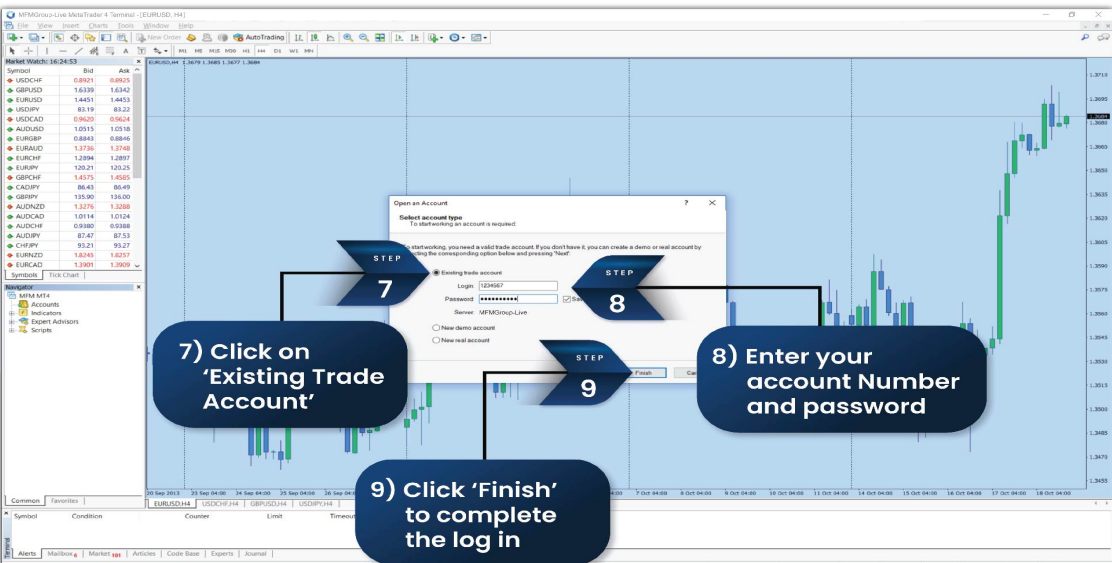

**6) Click 'Next'**

The screenshot shows the 'Open an Account' dialog box with 'Trading Servers' selected. The list contains 'MFCFinancial Demo', 'MFCFinancial Live', and 'MFMGroup-Live'. The 'MFMGroup-Live' server is highlighted. The 'Next' button is visible at the bottom of the dialog.

**7) Click on 'Existing Trade Account'**

**8) Enter your account Number and password**

**9) Click 'Finish' to complete the log in**

The screenshot shows the 'Open an Account' dialog box with 'Existing trade account' selected. The 'Login' field contains '1234567' and the 'Password' field contains '\*\*\*\*\*'. The 'Server' is set to 'MFMGroup-Live'. The 'Finish' button is visible at the bottom right of the dialog.
